Jordan Ioannoni St. Catharines, Ontario | (403) 667 3728 | jordan.ioannoni@outlook.com

Business student at Niagara College holding a completed Business Administration program credential alongside a Motive Power technical certificate. Combines clear administrative data capability with extensive technical literacy and regional mobile operations experience. Proven track record of managing time critical regional routing, live venue asset workflows, fast paced point of sale systems, and high volume scheduling under pressure. Seeking a 4 month Logistics / Dispatch Coordinator position for the Summer academic break to optimize fleet operations, data tracking, and vendor communications within the Niagara region.

SKILLS & HIGHLIGHTS

- **Logistics and Fleet Systems:** Regional route planning, asset tracking, transit time optimization, and shipping manifest compliance.
- **Technical and Mechanical Literacy:** Comprehensive understanding of commercial transport systems, vehicle mechanics, hydraulic assemblies, and preventive maintenance timelines.
- **Data and Event Administration:** Proficient in Microsoft Excel (data tracking, automated sheets), on site data extraction, digital file management ecosystems, and inventory portals.
- **Core Competencies:** Cross functional coordination, fleet communication, independent problem solving, verbal and written communication.

EXPERIENCE

Independent Delivery Driver and Shopper | Instacart, Niagara Region, ON | *2021 to 2026*

Completed grocery shopping and delivery fulfillments in accordance with standard platform requests, maintaining a focus on accuracy and order completeness.

- **Fulfillment Accuracy:** Completed orders by strictly managing time to handle the daily volume while ensuring accurate inventory selection.
- **Route Efficiency:** Navigated standard GPS navigation systems to complete multi stop residential deliveries within assigned customer windows.
- **Customer Logistics:** Communicated clearly with customers via the mobile interface to handle item substitutions and clarify drop off workflows.

Sports Photographer and On Site Operations Assistant | DS Photography (Digital Sports Photography), St. Catharines, ON | *December 2017 to Present*

Coordinate logistics and mobile inventory deployment across various regional sporting arenas and hockey hubs on strict weekend timelines.

- **Data Workflows:** Manage high volume, on site data ingestion processes, rapidly organizing, rendering, and indexing digital assets for live public catalog indexing.
- **Payment Processing:** Oversee point of sale (POS) financial operations and print production infrastructure directly with parents and venue management under tight timelines.
- **Asset Coordination:** Responsible for moving mobile inventory setups across regional arenas and handling customer service on site during busy tournament weekends.

Frontline Crew Member | Tim Hortons, Niagara Falls, ON | *2017 to 2020*

Executed inventory staging and order verification within a high volume, fast paced commercial storefront.

- **Volume Processing:** Managed orders efficiently inside a busy commercial storefront, preventing queue bottlenecks across internal shifts.
- **Cash Management:** Handled incoming supply manifests, managed POS systems, balanced cash floats, and verified drawer accuracy.

EDUCATION
